

Article for Social Media:

Looking for a place to volunteer where you can pick and choose by looking at a webpage of what's available? If nothing is available that meets your available time, wait until next week and check again. Nobody is going to call and ask you to take someone to an appointment. You're never on a schedule. You pick what you want to do and let us know. If you want to take a break for a couple of weeks or even months, just do it. We'll be glad when you get back and help us when you can.

Made to Stay is a non-profit organization made up of volunteers that provide transportation for seniors and disabled adults who no longer drive. Our mission is to provide these services in McCracken county Kentucky as we have volunteers to transport them to their appointments. Our volunteers agree that this is a very rewarding service they provide, both to them and the seniors that they transport.

For more information, visit our website (www.madetostay.org) or call our office at 270-331-9288.
